OUR PROGRAM IS ONE STUDENT / ONE PRECEPTOR DOCTOR.

To start the process:

Apply online or submit by mail: your name, mailing address, Chiropractic College, potential graduation date, email address, telephone number and fee of \$375.00. Please add a note to your request that you plan to participate in the Extern / Preceptor program and if you are participating in your schools program.

Note: a complete licensure by examination application file is required for application to the Extern program in Alabama. The fee must be a cashier's check or money order.

Establishing the Program in Alabama

The Director of the Preceptor / Extern program shall be a licensed Alabama Doctor in active practice appointed by the Board of Examiners.

The Director reviews application packets for approval or denial of participation in Alabama's program. He /she is responsible for checking by phone or on site visits with each preceptor doctor at least quarterly. He /she is responsible for notifying the Board president or staff of known violations of the program.

Definitions

PRECEPTOR DOCTOR:

The sponsoring licensed doctor who participates with a chiropractic college as part of the preceptor program. The program is designed to provide experience and practice for unlicensed or student doctors before or after graduation as further qualified by the **Rules and Regulations** and the **Chiropractic Practice Act**.

Violations of the Preceptor program are considered Unprofessional Conduct.

Extern. A student enrolled in their last year at a Board approved chiropractic college accredited by the Council of Chiropractic Education that has been approved to practice under the direct on-premises supervision of a sponsor doctor licensed to practice chiropractic in the state of Alabama and in the case of a student, under the supervision of the accredited school.

Graduate. A recent chiropractic graduate who applies **within the six (6) months** from graduation an approved chiropractic college maintaining a standard of training acceptable to the Board and not yet licensed in any other state.

Tier I. Applicants whose results from any required background checks have not yet been received. Tier I applicants are not

allowed to adjust, or make any diagnosis or treatment directly with the patient. Tier I externs can perform same services as a chiropractic assistant as long as under the direct supervision of the preceptor doctor and may observe the preceptor doctors treatment of patients.

Tier II. Applicants who have successfully complied with all requirements set out in this rule. Tier II applicants should be able to have full patient treatment privileges as long as under the direct supervision of the preceptor doctor. A student who graduates is no longer eligible to participate in the preceptorship program unless at the time of graduation the requirements of Part IV of the National Board of Chiropractors Examination have not been satisfied. In that event, participation in the preceptor program may continue for no longer than twelve (12) months following the date of graduation.

Extern Application Process

Qualifications in order to Extern:

- Must submit an Extern application and licensure by examination application, including fees and all documentation. (See licensure by examination application process.)
- Have submitted a current transcript directly from the Chiropractic College;
- Have submitted a letter from College verifying student is in final academic year & potential graduation date;
- Shall only deliver chiropractic services under the direct on-premises supervision of an approved sponsoring preceptor. The chiropractic services delivered are those specified in the Alabama Chiropractic Practice Act or in any Rule adopted by the Board. (See Tier I and Tier II definitions.)

Student

- Be currently enrolled in the final academic year at an approved chiropractic college which maintains a standard of training acceptable to the Board;
- Have a transcript submitted to Alabama showing successfully passing Parts I and II of the National Board of Chiropractic Examination.
- Provide evidence of malpractice insurance coverage.

Graduate

- A student who graduates is no longer eligible to participate in the program unless at the time of graduation they have not passed NBCE Part IV. In that event, the graduate may continue for no longer than twelve (12) months following the graduation date.
- Have graduated from an approved chiropractic college maintaining a standard of training acceptable to the Alabama Board within six (6) months prior to the filing of applications for licensure and not yet licensed in any other state.
- Have a transcript submitted to Alabama successfully passing Parts I and II of the National Board of Chiropractic Examination.
- Must successfully pass Part III and IV of the National Board of Chiropractic Examination within twelve (12) months following the date of graduation.

*In addition to the Extern application the student **must** have a completed Alabama licensure application file, including all fees and documentation, required by all student applicants for licensure.*

Being possessed of sound mind and legally competent to complete this request, the applicant authorizes the Alabama Board of Chiropractic Examiners to obtain any and all criminal history information on said applicant from the ALEA and/or FBI. Applicant may challenge or appeal any portion of his/her own Criminal History Record Information (CHRI) that he/she believes to be incomplete or inaccurate by visiting the website of the Alabama Law Enforcement Agency (ALEA) at www.alea.gov or call (334) 353-4340.

PRECEPTOR DOCTOR APPLICATION PROCESS

Alabama requirements:

- Have an active Alabama license and be in **active** practice for three (3) or more years;
- Have no Class A or B violations of Board rules for two (2) years and have no present investigations for possible Board violations;
- Mail in a completed preceptor application which states that he or she has read and understands Code of Alabama 1975, 34-24-145, and Board rules and regulations pertaining to this program;
- Submit the quarterly fee of \$75 with the preceptor application;
- Send a copy of current unexpired malpractice insurance for themselves; and
- Submit a schedule showing the location and when the extern will be working under direct on premises supervision for the program.

Note: In cases where more than one licensed doctor is in the clinic, each doctor who will direct the unlicensed student must be approved as outlined above. This does not apply to students participating in a school based program.

ONE EXTERN / ONE DOCTOR

In compliance with most chiropractic college preceptor programs Alabama follows one Extern / one Doctor Policy.
