THE OFFICIAL NEWSLETTER OF THE ALABAMA
STATE BOARD OF CHIROPRACTIC EXAMINERS

Presidential Message

I would like to congratulate and welcome Mrs. Amy Deavers who has been appointed as our new Executive Director. Mrs. Deavers has been with the Board for the past 15 years and she replaces our previous Director Mrs. Danyula Flowers. Amy has served the board in various capacities and most recently was our Executive Assistant. The addition of Mrs. Deavers as our Director allows for continuity for the next two years and will allow the Board the opportunity to vet a new Director to replace her in the next two years. We have just completed our election and I would like to congratulate our current members on their re-election to the board. Dr. Brad Russell has been re-elected to District 6 and Dr. Kimberly Ogletree has been re-elected as our at large African American Board Member. Dr. Greg Millar replaces Dr. Allan Lowman who completed his second term on the board representing District 5. We had no one qualify for District 2 and Dr. Neill will continue to serve the next year.

The board has been wrapping up the renewal season and as of the writing of this letter we are down to 48 that have not renewed with 25 which are in state licensees. I would like to remind everyone that if you have not renewed by December 31 that beginning January 1 you are not allowed to practice and if found practicing without a license you will be subject to sanctions. If you have issues renewing please contact the board staff and they can answer your questions and help you with the renewal process.

I hope everyone has a happy and prosperous New Year.

Sincerely,

Brian Wells, DC
President ASBCE

2022-23 NON RENEW LIST
