THE OFFICIAL NEWSLETTER OF THE ALABAMA
STATE BOARD OF CHIROPRACTIC EXAMINERS

Presidential Message

I recently presented the Alabama Law class at the ASCA convention. This year's presentations discuss an old case involving a doctor who had numerous complaints spanning several years. The complaints ranged from advertising violations to insurance and trust accounting billing problems. The major issue of the case centered around elder abuse and excessive billing of elderly patients in the treatment of neuropathy.

The revisiting of this case is relevant to the current trend of complaints the board is currently investigating. The treatment of neuropathy has become a major issue and the board has been receiving numerous complaints on multiple doctors and clinics. We currently have multiple investigations involving clinics all over the state.

I would like to remind you to check your board rules regarding trust accounting, billing, and advertising as these are all issues in

2024-25 Renewal Reminder

If you have already obtained your required chiropractic continuing education hours for the August renewal, please forward a copy of the approved hours now. The hours certificate needs to have the Alabama approval number written on it. The renewal process is much smoother if you don't wait until September to obtain your hours and submit them to the Board. (18 hours are required for your renewal each year with part of those in Alabama Law).

**You should have purchased your Alabama Section 136 Business (privilege) License in October 2023 for the year 2023-24 please email a copy to Angie.

SPECIAL POINT OF INTEREST

- Check Continuing Education Hours

the cases we are currently reviewing.

The board as recently voted to increase our license renewal fee from \$300 to \$360. This is the first increase we have made in the past ten (10) years but due to our increasing costs of operations it has become necessary at this time to raise our fees. The fee increase is based on a percentage of the consumer price index and is set by the state as to how much we can increase. We also cannot make any changes to this for a period of five (5) years.

I would like encourage everyone who is not already involved in our political association to get involved. The profession has been inundated with various other professions trying to continually encroach on our practice model. The political climate is tough and if you continue to remain silent you may not have much that is unique to our profession that is left to call Chiropractic.

Brian Wells
Board President

CHECK YOUR CONTINUING ED CREDITS ON THE WEBSITE

It's easy to look up the continuing education hours the Board has on file for the upcoming renewal.

On the [Board's Home Page](#) (www.chiro.alabama.gov) click on '[Online Services](#)'
Then click '[Check Continuing Education Hours on File](#)' and log in with your license number and the last 4 digits of your social security number. You will then see a list of the CCE the Board has on file. Please fax any certificates you have that are not reflected to 205-755-0081 or email to
angie.johnson@chiro.alabama.gov.

Note: When you submit hours they will not be reflected on the website on the same day.
