STATE BOARD OF CHIROPRACTIC EXAMINERS

October 2024
Volume 24, Issue 5

Presidential Message

On behalf of the Board of Examiners I would like to express our deepest condolences to the family of Dr. Gary Randolph. Dr. Randolph is a past board member and board President and father of our current Vice President Dr. Ken Randolph. Dr. Randolph served the board as well as his community of Guin, Alabama and I was honored to present him a special recognition for his 60 years in practice last year at a ceremony honoring him for his years of service in their community.

I recently attended the FCLB District III and V meeting held in Asheville, North Carolina. The Council on Chiropractic Education and the National Board of Chiropractic Examiners (NBCE) presented the current trends in our education and testing processes. The NBCE has been working on modernizing the Part 4 exam and will be moving it to a dedicated test center at the NBCE headquarters in Greeley Co next year. The new process is designed to allow

more days of testing and the ability to retake any deficiencies in a timelier manner. The parts I -III and PT exams will be offered at dedicated testing centers as well as on the college campuses. I personally attended the part IV test design committee meeting, and I like the design of the new test better than the current test and feel its design is more reflective of real practice decision making.

The Board staff is currently processing license and clinic permit renewals and dealing with the issues it usually entails. I recommend you login and start the renewal process as soon as possible to give you time to address any issues that may occur with deficient items such as your business license or missing CE that may need to be addressed. We have a lot of licensees that wait until the last week of September and try to beat the deadline to avoid late fees and this creates a tremendous bottle neck in the processing of your renewal.

I hope you have a speedy renewal and a great upcoming year in Chiropractic.

Brian Wells

Board President
