

THE OFFICIAL NEWSLETTER OF THE ALABAMA  
STATE BOARD OF CHIROPRACTIC EXAMINERS

April 2025  
Volume 25, Issue 2

## Presidential Message

Greetings!

I am excited about 2025 and serving as your Board President. Dr. Brian Wells has served in this position for many years and has done a spectacular job. He continues to work just as hard as a board member. Thank you, Dr. Wells for leading with excellence!

The location of our Board office has also changed. We are blessed our executive director of the past twenty five plus years, Sheila Bolton and our present director, Amy Deavers have both been very efficient with our money. Their work allowed us to purchase and update our new location.

Presidential Message continues Page 2

## New Office Location

The Board is proud to announce we have moved to a new location in March 2025. The address of the new location is:

**1700 Yellowleaf Road,  
Clanton, AL 35045**

**After months of paperwork, inspections, contracts and hard work by the Executive Director we now own a fully remodeled office.**

**This is a great accomplishment and something every licensee and permit holder should be proud of.**

This move will help us with control of our expenses. Thank you, Sheila and Amy!

The ladies in our office have worked to keep business as usual and move at the same time. All have done an awesome job for us. Thank you, Amy, Kerry, Angie and Kelli!

I encourage you to make 2025 a year of excellence for yourself. Review your procedures in your office. Practice, speak and treat with excellence. Choose to be a true healthcare provider. Know there is healing in your hands. Continue to care about each patient that enters your door. Be excellent.

If you have questions call the board office. The ladies will help you. Every question is valuable ...ask. We do not always like the answer but they know how things must be done.

I look forward to seeing you this year! A year of excellence- *“the quality of being outstanding.”*

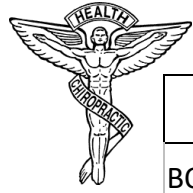

Blessings to you,

Renee Bowen

**Greeley, CO.** – The National Board of Chiropractic Examiners (NBCE) hosted the Part IV Item Writing Committee at the Horace C. Elliott Center in Greeley, Colorado, on February 21-22, 2025.

Led by Dr. Andrew Gow, the Practical Testing Manager at NBCE, a committee representing State Licensing Boards and faculty members from chiropractic colleges nationwide collaborated to create, update, and review content for the Part IV exam.

The Part IV Item Writing Committee is an important element of the Advancement and Development Project, created to enhance the quality of our pre-licensure exams through technological advancements, while expanding testing opportunities for students and stabilizing exam fees. The committee specifically focuses on developing cases for the new format of the exam beginning in 2026, with stations that mimic a complete patient encounter and adding a patient note component. For more information on the Advancement and

Development Project, visit the project webpage [here](#) .
