Adopted Rules	6
Upcoming Seminars	3 & 4

Presidential Message

Dear colleagues and clinic owners:

The Board would like to thank Dr. Jerry Kirby for his years of service as the District 2 member. We would also like to welcome and congratulate Dr. John Neill on his election as the new member from that District.

The 2013-14 Renewal period is now complete. If you have not renewed your license or permit it has now lapsed, please contact the Board office for instructions on reinstatement. You must not practice or offer services in your office without a current license or permit. If you do so, you will be in violation and could face disciplinary action.

Please also be very aware of the solicitation rule (Rule 190-X-5-.06) and the use of runners in your practice. Failure to follow the guidelines stipulated there regarding contacting accident victims could also result in disciplinary action against your license.

The Board has recently become aware that there are some questions regarding performing massage in your practice. The only person permitted to perform massage in your office without obtaining a massage therapy license is a DC. You may not allow your office staff to perform massage under your chiropractic license.

Please notice the new renewal process outlined on page 5. This process will begin with the 2014-15 renewal.

Finally, based on a new AG opinion issued to the PTs a DC **cannot** advertise physical therapy or hold them self out to perform physical therapy.

We hope you had a happy holiday and wish you the best in 2014.

Gerald Collins, D.C.
President ASBCE

2013-14 NON RENEW LIST

Please see page 6 & 7 for a list of licensees / clinic owners who did not complete the renewal process.

If you are on the list and continue to practice after January 1 you are practicing without a license and in violation of the Alabama Chiropractic Practice Act and the Chiropractic Rules and Regulations.

Online Seminars

University of Bridgeport Health Sciences presents the following course. For information contact Carol Anne Nilson at 1-203-576-4880.

"Florida Chiropractic Physicians Association Advancement Symposium " 88 hours February 21-23 in Orlando, FL.

THANK YOU FOR YOUR POSITIVE COMMENTS

Love the new website! - Dave

I would like to Thank You for all of your help. I am sure I have been a pest over the past several weeks & you have only responded with kindness. - Sloan

I wanted to let you know what a tremendous help Amy has been to me. From my first call for help with the website to my last call she has been wonderful. Her customer service was excellent. We deal with licensing agencies for many areas. Some are more helpful than others. Today was my first time learning about the requirements for chiropractors. I started off with a need to primary source a license and ended up with an education on the process from your great staff. During the rush of business we often don't take the time to recognize those who make a difference. Amy was extremely helpful and I wanted you to know. - Kathey

Renewal Changes for 2014-15

Beginning with the 2014-15 renewal period all documents required for renewal must be in the Board office 48 hours prior to accessing the online renewal application. You will no longer be allowed to login and complete the application unless the system can verify you have your 18 continuing education hours including 2 hours in AL Law (4 hours AL Law for new licensees) and the correct business license on file. For the 2014-15 Renewal Period the correct business license will be the license which expires 9/30/2014. (2013-14) Please remember that seminars can no longer be retroactively approved. Be sure to verify prior to registering for a seminar you are planning to use for renewal that there is a (6) six digit Alabama approval number assigned to the seminar.

If you have any questions, please contact the Board office.

Condolences

Dr. Gerald L. Mance. Dr. Mance graduated Palmer Chiropractic College in 1974 and received his Alabama license in 1975.

He lived and practiced in Morrison, Illinois.

Congratulations to those licensed since October 2013
